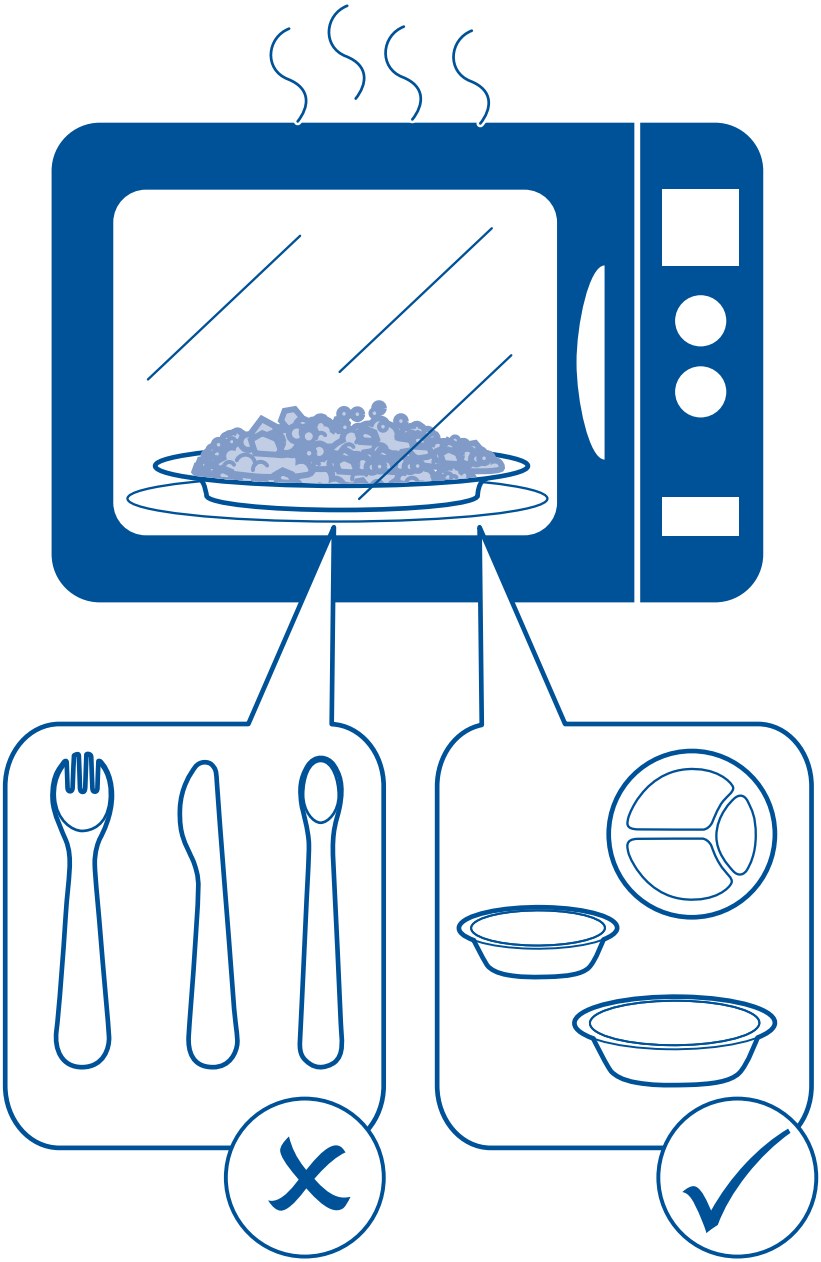
PHILIPS



English

1 Important

- Read this user manual carefully before you use the product.
- Keep this user manual for future reference.

For the safety and health of your child
Warning

- Before each use, always check the product carefully. Stop using the product immediately when any damage or weakness is detected.
- Before use, clean the product.
- Adult supervision is required when the product is used by a baby himself/herself.

Caution

- The product is designed for feeding uses.
- Never put the product in a microwave, or conventional oven.
- Never put the product on the top of a stove, or close to any source of heat.
- Never use the product for foods flavored with much oil, or lemon/ orange peels.
- Color stains or lingering odors may be left on the product by foods strong in color or odor, e.g. carrot juice, onions.

2 Cleaning and sterilization

- Clean the product before/after each use.
- Clean the product in warm, soapy

water; rinse it thoroughly, and dry it.

- The product is suitable for dishwashers. Wash it in the top rack of dishwashers.
- The product is suitable for sterilizers.

Caution

- Never use abrasive, anti-bacterial cleaning agents, or chemical solvents.
- Use cleaning agents of appropriate concentration. Cleaning agents of excessive concentration may eventually cause the product to crack. In this case, stop using the product immediately.

3 Feeding

Warning

- Always check the food temperature before feeding.

- Keep your baby from running or walking during feeding.
- Always keep your baby attended during feeding.

4 Storage

- For hygiene maintenance, a dry and safe place is recommended for the storage of the product.
- Keep the product from the source of heat, or direct sunlight.
- Keep the product out of the reach of your baby.

Note

- Discoloration has no impact on the performance of the product.
